We hope everything is a perfect fit, however, if something isn't right, you may return items purchased from Lee.com using the included prepaid shipping label within 60 days from the date of purchase. Holiday Returns: Items purchased between November 8th, 2021 through December 24, 2021 may be returned within 90 days of purchase.

To receive your refund, please return items in original condition with tags attached. Items ordered from Lee.com may not be returned through retail stores.

Complete this form. Be sure to include your order number, as well as the return code (located above), quantity, and style number of each item being returned.

Reuse the original package by turning it inside out. Enclose this completed form with items you are returning and make sure the package is securely sealed.

Securely attach the prepaid shipping label to the largest side of the package. Your return can be dropped in any U.S. Postal Service collection box, including your home mailbox or a FedEx office or shipping center. That's it. Once your return is received and processed, your original method of payment will be credited for the original item price plus any applicable taxes. Sorry, we do not refund any shipping charges.

IMPORTANT: In order to track your return, please keep a record of the tracking number listed on the return shipping label.

If you wish to exchange an item, please call our customer service department 800.453.3348 and they will assist you with the exchange. Once you have placed your exchange order with customer service, please follow the steps on the left to return the item you are exchanging.

Please do not send your exchange information on this sheet with your return as we will be unable to process the replacement order.
